# Workshop On Data Analysis

Join us for an in-depth workshop on data analysis techniques and tools. This workshop is designed for researchers and professionals looking to enhance their data analysis skills.

**DATE**

10-15 June 2026

**LOCATION**

Uppsala, Sweden

**INFO**

[www.website.com/workshop](http://www.website.com/workshop)

**DEADLINE**

03 May 2026

## Workshop Overview

This workshop will cover various data analysis methods, including statistical analysis, data visualization, and machine learning techniques. Participants will have hands-on sessions to apply the concepts learned.

## Who Should Attend?

This workshop is ideal for researchers, data scientists, and professionals in related fields who want to improve their data analysis capabilities.
